Bengalore

SUMMARY

• As a fresh frontend developer with a strong foundation in HTML5, CSS3, React.JS, JavaScript and TypeScript.
• Using Bootstrap for responsive design. Knowledge in Node.JS, Express.JS and MongoDB.
• Skilled in crafting dynamic and visually appealing web interfaces, building efficient and scalable.

PROJECTS

Responsive Gym Website

08/2023 - 08/2023

Created a responsive gym website using React.js and CSS3 to ensure optimal user experience across devices and screen sizes.

- Utilized reusable components in React to enhance code efficiency and maintainability.
- Showcase the plans and trainers, images in website.

Responsive Admin Dashboard

09/2023 - 09/2023
https://harshithreactprojectl.netlify.app/

Created a React admin dashboard involves using React, JavaScript, and Tailwind CSS to build a dynamic and user-friendly interface.

- Utilized reusable components in React to enhance code efficiency and maintainability.
- Showcase the revenue, total sales and cost, transaction history etc.

Responsive CRUD List

10/2023 - 10/2023

Designed and implemented a user-friendly and responsive user interface using Bootstrap, ensuring a seamless user experience across various devices and screen sizes.

- Developed a responsive CRUD (Create, Read, Update, Delete) list application using React and Bootstrap for the front-end.
- Utilized Express.js to build the server-side for handling data operations.
- Integrated MongoDB as the backend database for efficient data storage.

INTERNSHIPS AND TRAINING

Vibratory Surface Finishing Machines

Surface Technik

09/2022 - 10/2022

- During internship gained in material selection, chemical selection, and machine operation
- Collaborated with a team of professionals to ensure smooth operations and timely completion of projects.
- Successfully contributed to the efficient functioning of the finishing department.

EDUCATION

B.E. in Mechanical Engineering

RNS Institute of Technology

12/2020 - 05/2023

TECH STACK

HTML5 | CSS3 | Bootstrap | JavaScript | React.JS | TypeScript | JavaScript(ES6+)

LANGUAGES

English — Proficient

Kannada — Native

ADDITIONAL SKILLS

User Interface Development

Problem Solving

Debugging

Leadership
